The Management of the Thorndon Hotel for providing the meeting room and technology. Anita Henderson of i4Design for website support. The TRA newsletter sponsor Tommy's Real Estate. The Chair also expressed thanks to all the financial members for their continuing support.
6	<p>Guest Speaker – Hon Grant Robertson MP for Wellington Central</p> <p>Before Councillor Ian McKinnon introduced the Hon Grant Robertson to the meeting, he provided background on the development of the TRA. He acknowledged the work that Melissa Ludlow, Lance Gunderson and Richard Murcott had put into the initial stages of the TRA.</p> <p>He welcomed the Minister both as a Minister and as the MP for Wellington Central.</p> <p>The points the Minister covered in his presentation were:</p> <ul style="list-style-type: none"> Keeping the heritage and character of Thorndon. The need to look at what the impact will be on Thorndon of people moving into and closer to the central city. <p>When describing Wellington he uses the 'c' description.</p> <ul style="list-style-type: none"> Capital Compact Character Connected Challenged (to grow) <p>He spoke about the changes that will occur when the May 2019 budget is presented. Work is being done to change it to a 'Wellbeing Budget' which will be focussed on economy, environment and people.</p> <p>He would like Wellington to develop a functioning transport plan for the future. This would bring Wellington in line with other modern world cities.</p> <p>The Minister answered questions from the audience and thanked the Chair for being invited to speak to the meeting.</p> <p>Councillor Ian McKinnon formally thanked the Minister for his presentation.</p> <p>He then left the meeting.</p>
7	<p>General Business</p> <p>David Middleton provided update reports on the following:</p>

	<ul style="list-style-type: none"> • Community Resilience Since the review of the Ministry of Civil Defence and Emergency Management the WREMO has changed its approach to the way communities are involved in community resilience and some of TRA's work has to be reprocessed. TRA is liaising with WREMO to understand the requirements for the new work. It is concerning that the Emergency Hub is kept at Thorndon School which at the moment is a building site. The TRA continues to request information from WREMO on the exact location of the Emergency Hub box and who has access to it. These two issues will be included on the submission on the WCC's long term plan. A resident at the AGM who has children at the school advised she was happy to talk to the Principal about what had been discussed and report back to the TRA. • Queen's Park The TRA continues to meet with WCC representatives regarding the future upkeep of the park. It has been suggested the focus should be on making the park more accessible as a recreational area. The area around the waterfall and the stream could be undertaken as a community project. This will be included in the submission on the WCC's long term plan also. Councillor Iona Pannett advised the meeting the WCC has a Built Heritage Fund and suggested a request for funding be made for the upgrading of the park. • Thorndon Cycleway Councillor Young spoke to the TRA about the proposed cycleway along Thorndon Quay and that it had been stopped due to lack of consultation. A resident then sought clarification on whether the Councillor and TRA were in support of the cycleway and was not provided an answer. This is an ongoing issue and she will keep the TRA informed.
	The meeting closed at 8.15 p.m.
